

# GPM and Babcock Power Announce Sales Representation Agreement

April 15, 2007– GPM will be the new sales representative for Babcock Power, Inc., covering Minnesota, North Dakota, South Dakota, eastern Montana, and eastern Wyoming.

Babcock Power, Inc. is a group of companies comprised of Babcock Power Services, Babcock Power Environmental, Boiler Tube Company of America (BTA), Riley Power, Thermal Engineering International (TEi), TEi–Construction Services, and TEi-Struther Services. GPM's strong presence for over 29 years in the Power and Heavy Industrial Markets will allow us to give our customers strong service and sales support.

Babcock Power Inc. is a group of companies offering unparalleled expertise – more than 400 years of combined experience in engineering, manufacturing, construction, and aftermarket products and services – for heat exchangers, environmental systems, and steam generators with associated fuel preparation (pulverizers) and firing systems. Babcock Power provides complete solutions for any OEM's equipment for the global power generation, industrial, environmental, and waste-to-energy markets.

GPM and Babcock Power personnel from one of our three offices will be contacting you in the next three weeks to set up meetings to discuss this new partnership and to establish how we can continue to serve your needs now and into the future. If you have an immediate need, please feel free to call GPM directly at 218-722-9904 or Babcock Power at (508) 854-3693.

Thank you for your business and we look forward to providing you with even more exciting products and services in the near future.
